GOLF In The SUN

Why not leave the English weather behind and join me on a bespoke trip to Cape Town and the Western Cape, one of the most beautiful destinations in the world and my favourite.

I have been visiting South Africa since the late 1990's and I cannot think of a better world destination that offers more. From great views of Table Mountain, the 12 apostles and the valley of Franschhoek to name but a few.

There are incredible beaches (one in particular with resident Penguins), golf courses, restaurants, vineyards, as well as its choice of game reserves. You will be amazed how far a pound goes, making this a very affordable trip.

Steven Bottomley (Botts) has organised corporate golf days for several year's now. In 2014 he set up Inside The Masters bringing you the opportunity to experience the US Masters. Steven personally puts together a choice of amazing fully-managed packages for you to choose from.

He has always been passionate about Cape Town and the Western Cape area, so decided to put his knowledge to use and share his experiences.

“One hour from Cape Town, Franschhoek is an epicureans delight with 50 vineyards, wine tram, numerous quality restaurants not to mention its views down the valley from Le Petite Ferme. One of my favourite restaurants.”
